190709HOY – Bike Permit

Dear Parent/Carer,

In order to improve the safety of our students, all those who travel to the academy using a bike are required to have a bike permit. The aim of this initiative is to protect our students, ensure that they are safe and therefore limit the harm which could potentially occur to them whilst cycling along a busy road to and from the academy.

Should you wish to apply for a bike permit for your child, please complete the form below and return to the school reception. Once we have received an application, students will be invited to have their bike checked by the Castle View Academy team – they will also be required to show their helmet and bike lock. Once the bike has been deemed roadworthy, a sticker will be placed onto the bike allowing staff to easily recognise bikes which are acceptable, and a permit given to the student.

Student safety is our concern above all else and we are asking for your continued support in this by making sure that your child, if they cycle to the academy, has a suitable bike and helmet.

Yours faithfully

Mr Adrian Tucker

Vice Principal
